

2024 CDM Summer Academy Schedule

This is a sample schedule you of what to expect during your week at the Summer Academy. When divided into your individual tracks you will participate in different activities relevant to that major. The schedules of the tracks vary, but your instructor will give you a general idea of what to expect on the first day of the program. Students will find out their studio/lab locations on the first day, so if you plan to be picked up at 5pm you will need to coordinate the location with your ride during the day.

Monday, July 8	Tuesday, July 9	Wednesday, July 10	Thursday, July 11	Friday, July 12
Check-in begins 10:00 am; Arrive no later than 10:45 am (247 S. State St. Lower Level Lobby)	Arrival 10:00 am at your track’s classroom.			
Break into tracks and start working on projects.	Work on projects			
Lunch – approximately 1:00 p.m. (Will be provided all five days of the academy)				
Work on projects	Work on projects			Project Presentations
Dismissal 5:00 p.m. – students will leave from their individual classrooms				Early dismissal (approx. 3-4 pm*)

***Important notice regarding the project presentations on Friday:** We make every effort to start the presentations at approximately 1:30 or 2pm on Friday, but this is frequently delayed due to issues beyond our control (usually student technical issues exporting their projects). Students will be dismissed when their track’s presentations are finished, which can vary widely by track and due to technical issues.

Warning: In the past a few spectators have complained about sitting around waiting up to an hour for the presentations to begin due to technical delays, so please keep this in mind when making plans. We have many students and there is limited space for the presentations, so while we welcome visitors we ask you to please limit the number to one or two very patient people. *Thank you!*
